AView of Buist's Garden Seeds being put up in Packets by Electric Machinery which avoids all errors in either their Gauge or Variety.

BUIST'S SEFDS in packets are not commissioned, if they were they would very soon lose their established reputation for reliability. BUIST'S are of new crop each season. Commissioned Seeds may have been when first put up, but that may have been ages since.

SPECIAL QUOTATIONS. Owing to the scarcity of many varieties this season these quotations are only for prompt orders, which we will book now and ship at any date desired. IF YOU ARE a large purchaser of seeds, it will afford us great pleasure to make you special quotations by letter if you will kindly enclose us a list of your requirements.

NOTICE. We sell 10 pounds or over at the 100 pound quotation.

TERMS OF SALE. Four months credit—cash discount, five per cent. if paid within ten days. Accounts are subject to draft when due. Purchases on Special Quotations, sixty days credit or two per cent. for cash.

NET CASH GOODS are Onion Sets, Potatoes, Field Corn, Bird Seed, Grass, Clover, and all other Agricultural Seeds, and must be remitted for when ordered or be subject to sight draft on shipment.

PERISHABLE GOODS. Onion Sets and Potatoes are always shipped by us in the very finest order, and packed to carry safely; but as they are subject to damage by excessive heat or cold in transit, over which we have no control, such risk must be assumed by the purchaser. No claims can be allowed for damages.

BARRELS—BOXES—SACKS are CHARGED at COST.

BARRELS, BOXES and SACKS are not returnable for credit, and will only be accepted to be used on future orders.

We **DELIVER** all **GOODS** F. O. B. PHILADELPHIA.

SEED CABINETS. Display Cabinets made of ash at \$2.00 each. Flat Walnut Cabinets at \$2.50 each. These Cabinets contain no seeds.

It is to the interest of merchants who sell seeds to keep BUIST'S GROWTH, as no seeds are ever put up in packets but the new crop of each season, those left over from the previous year are cut out whether they grow or not. The result is their seeds will grow equally as well the second year as the first, and many will grow equally as well the third year; such as Beet, Cabbage, Collards, Celery, Cucumber, Kale, Lettuce, Mustard, Parsley, Radish, Pumpkin, Squash, Tomato and Turnip, that is, of course, provided they have been properly kept from heat or dampness.

BUIST'S SELECTED ONION SETS

We are the most extensive growers and shippers of Onion Sets in the trade, with a reputation of shipping the finest samples. They are smaller, more uniform in size, and better cleaned than those of Western growth, and will keep longer without sprouting. We also use a % mesh in cleaning them, while Western and many other growers use an inch, making our sets of much smaller size and more salable. We fan and clean each order separately, Onion sets are sold for net cash and subject to cost for barrels and crates for packing them.

These quotations are for immediate orders, and for shipment during December or January as required, for these months we supply 38 lbs. to the bushel, and not 32, as are given by Western houses.

Buist's Selected Seed Potatoes,

Packed in large full-sized Barrels or Barrel Sacks, containing 23/4 Bushels, 165 Lbs.

HE Buist Brand of Seed Potatoes have an established reputation throughout the Southern States for their Great Purity,

Fine Quality and Productiveness. They are grown in Maine, Vermont, Nova Scotia, especially for seed, and are of an entirely different quality from the stocks generally sold, which are frequently mixed varieties of a very inferior grade, with the name branded on the barrels to suit the order. These prices are for immediate orders booked with us now, and for shipment during December or January.

Potatoes are sold for net cash; remittance with order or subject to sight draft on date of shipment.

Our Quotations are Subject to Change.

The Buist's Mixture of Grass Seeds for Lawns, Parks, Tennis and Cricket Grounds has long been famous for producing a succession of verdure throughout the year. It is composed of the finest varieties of grasses, each of which has its season of beauty, and the result of this blending is the producing of a sod which is not only always evergreen and velvety in appearance, but of the color and beauty of an emerald. Many of the more famous lawns of this country were seeded down with the Buist's Lawn Grass, the preparation of which is a specialty with our house, which many years of experience has suggested; it requires from 4 to 5 bushels to sow an acre, or for renovating old lawns about half that quantity.
